

Local Information for the Muon Magnetic Moment Workshop, 25-26/10/2007, Glasgow

Hotel

Your hotel is the **Sandyford Hotel, 904 Sauchiehall St, Glasgow, G3 7TF, U.K. Tel: (+44) 0141 334 0000**, see the square marker on the attached map. (www.sandyfordhotelglasgow.com)

Location and contact

The workshop will take place in the **Kelvin Building** (see "triangle" on the first map, **B8** on the second map), **Department of Physics & Astronomy, University of Glasgow, Glasgow G12 8QQ, U.K.** The talks will be in room 604, coffee breaks will be in level 5.

If you need some space/desks for additional discussions, checking emails, or to put your belongings, some space will be provided in the offices of the particle physics theory group (level 5), and a second meeting room 253 has been reserved for this purpose.

Local organiser: Dominik Stockinger, office 534, Tel (+44) 141 330 5900.

Getting there

From Glasgow International Airport: The airport is situated seven miles to the west of the University. There is an airport bus service to the city centre. The taxi fare is in the region of GBP13-15.

From Glasgow Prestwick International Airport: The airport is situated 22 miles south-west of the University. There is a railway station at the airport (tickets can be purchased in the trains, the fare is around GBP5) and an airport bus service to the city centre.

From Glasgow City Centre to the Hotel/University: Both the hotel and the University are situated in Glasgow's West End, and can be reached most easily by taxi (e.g. from either Glasgow Central Station or Queen's Street Station), or by subway (exit at "Hillhead Station", which is in Byres Road, the centre of the West End), or by bus (you need exact change in the bus, the fare depends on the number of stops).

Dinner

The workshop dinner on Thursday will be in Oran Mor, "The Brasserie", at the top of Byres Road (crossing Byres Road and A82), in a former church, at 20:00. (www.oran-mor.co.uk/the-brasserie.php)

Internet access

There is a wireless connection in the Kelvin Building: to use it connect to the unsecured wireless network "PAGlaWireless", using the PIN "c8f98e" in your web-browser.

Reimbursement

Further local and travel expenses will be partially reimbursed. Please retain your receipts, as these will be necessary for the reimbursement. Forms will be distributed during the meeting.
