

Career history:

1958-62	Ph.D. in Theoretical Physics, University College London
1962-63	Research Associate, University of Illinois, Urbana
1963-64	Research Associate, Rutherford Appleton Laboratory
1964 to date	Lecturer(1964), Senior Lecturer(1971), Reader(1975), Professor(1978) Emeritus Professor(2003), Physics Department, Durham University, UK
1971-73	Research Associate, CERN, Geneva
1974-76	Consultant, CERN, Geneva
1989-93	Head of Department, Physics Department, Durham University, UK
1995-6	Sir Derman Christopherson Research Fellow, Durham University
1999-date	Deputy Editor Journal of Physics G
2000 to date	Founder member of IPPP, Durham University, UK
2003	Erskine Fellow, University of Canterbury, New Zealand
2004	Fellow of the Royal Society
2004-6	Leverhulme Emeritus Fellow
2007	Born Medal and Prize, UK Institute of Physics and German Physical Society
2015	Chancellor's Medal, Durham University
